

## Dataset updates

### European Union countries' recovery and resilience plans

<https://www.bruegel.org/dataset/european-union-countries-recovery-and-resilience-plans>

20 February 2023

- The Netherlands is added to 'Figure 1: Overall resource allocation in national recovery and resilience plans'.

13 December 2022

- The Netherlands is added to 'Table 1: Available and requested grants and loans from the RRF'.
- Hungary and the Netherlands are added to 'Table 6: The Commission's assessment of the recovery plans'.

9 June 2022

- Poland is added to 'Table 6: The Commission's assessment of the recovery plans'.

27 April 2022

- Tables 2, 3, and 4 and Figures 3, 4, and 5 on the dataset webpage were updated to include all the 26 countries that have submitted their plain.
- Bulgaria and Sweden are added to 'Table 6: The Commission's assessment of the recovery plans'.

25 March 2022

- Added data for Bulgaria, Malta, Ireland, and Denmark to the main dataset file.
- Removed the local currency columns from the source data, which was provided only for a few countries before.

10 February 2022

- The description of the categorisation of investments according to our new classification was added to the webpage

01 December 2021

- Bulgaria, Croatia, Estonia, Finland, Ireland, and Malta are added in Figure 1.

- France and Germany updated with the latest information.

#### 25 October 2021

- Bulgaria is added to 'Table 1: Available and requested grants and loans from the RRF (€ billions)'.

#### 8 October 2021

- Estonia and Finland are added to 'Table 5: The Commission's assessment of the recovery plans'.

#### 28 September 2021

- Romania is added to 'Table 5: The Commission's assessment of the recovery plans'.

#### 20 September 2021

- Malta is added to 'Table 5: The Commission's assessment of the recovery plans'.

#### 14 July 2021

- Malta is added to 'Table 1: Available and requested grants and loans from the RRF (€ billions)'.

#### 8 July 2021

- Croatia, Cyprus, Lithuania and Slovenia are added to 'Table 5: The Commission's assessment of the recovery plans'.

#### 5 July 2021

- The detailed underlying raw data is available for download as an excel file.
- A new classification recommended by the authors of the dataset was added. This classification includes two levels: three main headline categories that we call 'Level 1': 1) Green transition, 2) Digital transformation, and 3) Social, economic, and institutional development), and within these three main headlines, altogether 35 sub-categories that we call 'Level 2'.

29 June 2021

- A new section was added: “The European Commission's assessments of the recovery and resilience plans”

28 June 2021

- Figure 6: Czech numbers, which so far were based on the draft plan, were updated on the basis of the final plan.

25 June 2021

- Estonia was added to Table 1
- Estonia was added to Figure 6

9 June 2021

- Figure 6:
  - Spain was added to the dataset
  - Increased precision to one decimal point for all values

8 June 2021

- Figure 1:
  - Romania was added
  - Minor adjustments were made to the numbers for France

7 June 2021

- Slovenian data in Figure 1 has been corrected. In the previous version, the entire amount of the RRF loans requested by Slovenia was erroneously assigned to the category "Other" (instead of recognising its green and digital components), and that led to some miscalculations.
- Portugal was added to Figure 6

4 June 2021

- Corrected a typo in Table 1 (Polish amount of loans requested)

3 June 2021

The first release of the dataset
