## Annual Disclosure of Outside Interests

Name: Guntram Wolff

Period covered: January-December 2018

*Note: this disclosure form established following the adoption by Bruegel of its public Statement on Research Integrity, on 3 May 2006. The nature of each commitment shall be clearly described, as well as its financial impact, if any.*

### Academic Commitments

- Member of Solvay Brussels School's International advisory board of the Brussels Free University (unpaid).
- Associate Fellow in Research and Policy Network on *European Economic Architecture*, CEPR.

### Political Commitments

- None.

### National Commitments

- None.

### Business / Commercial Commitments

- Member of MasterCard Center for Inclusive Growth global economic panel (fellow), which meets twice a year with senior MasterCard management to discuss the global economy in informal way (unpaid, flights and accommodation covered by MasterCard).
- I occasionally receive small gifts (bottle of wine etc.). Their total value per year does not exceed 1% of my salary.

**Other Commitments** (e.g. participation in other think tanks or international committees)

- Member of the Advisory board of Circulo de Empresarios, Spanish think tank (unpaid).
- Since November 2018, member of IMF's Advisory Group on Surveillance: The Group is a diverse assembly of experts with deep experience and a substantial track record of involvement or commentary on issues pertaining to the review, each participating in a personal capacity.
