Annual Disclosure of Outside Interests

Name: Laura Nurski

Period covered: 2021

Note: this disclosure form established following the adoption by Bruegel of its public Statement on Research Integrity, on 3 May 2006. The nature of each commitment shall be clearly described, as well as its financial impact, if any.

Academic Commitments

National Commitments

- I occasionally act as a judge to evaluate requests for subsidies at the European Social Fund – Flanders. These subsidy requests may come from commercial or non-profit organisations and aim at strengthening skills and employment in Flanders. For this work I receive a small compensation.

Business / Commercial Commitments
