Annual Disclosure of Outside Interests

Name: Guntram Wolff

Period covered: January 2021 – March 2022

Note: this disclosure form established following the adoption by Bruegel of its public Statement on Research Integrity, on 3 May 2006. The nature of each commitment shall be clearly described, as well as its financial impact, if any.

Academic Commitments

- Since January 2022: Part-time professor at Solvay School of Université libre de Bruxelles (significantly paid)
- Member of Solvay Brussels School's International advisory board of the Brussels Free University until October 2021 (unpaid).
- Associate Fellow in Research and Policy Network on European Economic Architecture, CEPR (unpaid)

Political Commitments

- none

National Commitments

- none

Business / Commercial Commitments

- Member of MasterCard Center for Inclusive Growth global economic panel (fellow), which meets 1-2 times a year with senior MasterCard management to discuss the global economy in informal way (flights and accommodation covered by MasterCard, all payments to Bruegel, no meeting in 2020).
- I occasionally receive small gifts (bottle of wine etc.). Their total value per year does not exceed 1% of my salary.

Other Commitments (e.g. participation in other think tanks or international committees)

- Member of the Advisory board of Circulo de Empresarios, Spanish think tank (unpaid).
- Member of Advisory board of Europaforum Luzern (unpaid).
- During 2021, member of G20 High Level Independent Panel on Pandemic prevention, preparedness and response (unpaid).

Date: 7 March 2022, Signed:
